# Our Beginning

“The Safety and Health at Work  
Promotion Association  
(Thailand)”

**SHAWPAT**

*An NGO established by the Thai Government since **29 May 1987** to help promote information and awareness on the occupational safety and health among Thai enterprises.*

❖ *Our key missions are:*

- ❖ *To **promote OSH** for inside and outside workplaces.*
- ❖ *To help **create OSH awareness and culture** by means of organizing OSH activities and promotion campaigns in the workplaces as well as in the public areas.*
- ❖ *To **promote cooperation and networking** with public and private organizations at all levels, both nationally and internationally, in order to help develop knowledge and best practices in the areas of OSH.*
