<p>* As of Jan 2022, the basic open source option will be discontinued. Trainers that have signed up for the “Basic open source” category on the Vision Zero website at https://visionzero.global/become-vision-zero-trainer can continue to promote themselves as Vision Zero trainers and are allowed to use the free Vision Zero training materials, they have received from the Vision Zero website when signing up. However, the free Vision Zero training materials will no longer be updated and the names of the Vision Zero trainers will no longer be displayed on the website.</p> <p>** see IOSH website</p>
